

# 2018 Mud Dauber School Apprenticeship Application

Name \_\_\_\_\_

Location \_\_\_\_\_

E-mail \_\_\_\_\_

Telephone \_\_\_\_\_

Mailing Address \_\_\_\_\_  
\_\_\_\_\_

Please answer the following questions on a separate page - feel free to either print your responses, or write them on paper. You are welcome to send them via e-mail or snail mail (see address at bottom of page).

1. Tell us about your history.  
(childhood, education, travel, work, anything that shaped you...)
2. Share your skills.  
(anything goes - math, construction, computers, sports, cooking, drawing, music, etc...)
3. When have you enjoyed physical labor?
4. What do you plan to do with this experience?
5. What other options are you considering if you don't attend this apprenticeship?
6. How do you imagine that the apprenticeship will affect your personal development?
7. How might natural building affect the global ecosystem?
8. Do you have any drawings or photos of things that you have constructed/crafted?  
(If so, please include with your application. If not, it's okay!)

*\* If your application passes review, then the following step will be setting up a phone interview. We will contact you soon.*
